Evidencia:

The screenshot shows a web browser window displaying the Mercury Tours website. The website has a navigation bar with links like Home, Flights, Hotels, Car Rentals, Cruises, Destinations, and Vacations. A sidebar on the left contains a 'SAVINGS!' section with a 'Rent a Car' link, which is circled in red. The main content area features a 'Featured Destination' for Aruba, a 'Find a Flight' section, and a 'Specials' table listing various flight routes and prices. The footer includes a 'TIP #93' and copyright information for Mercury Interactive.

The DevTools console on the right shows the following error:

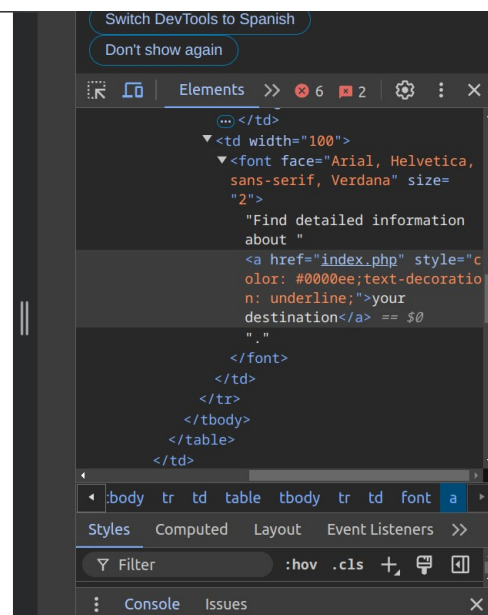

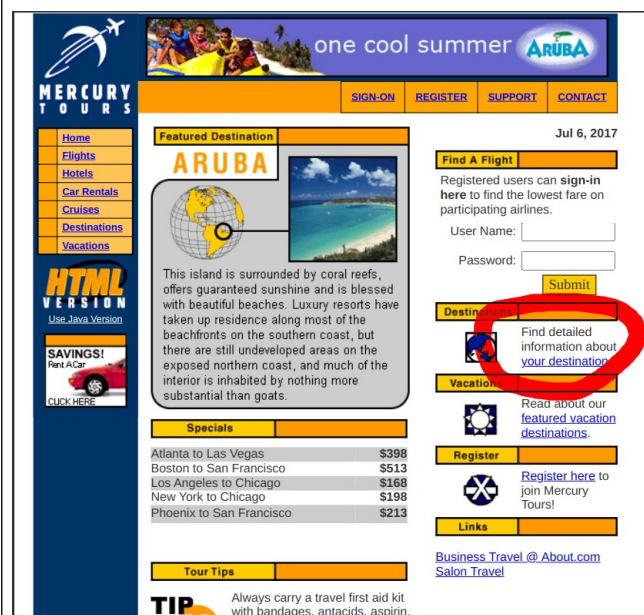

```

Uncaught ReferenceError: boxad1 is not defined
    at :50
  
```

The error message indicates that the image source 'images/boxad1.gif' is not found, which is the cause of the broken link.

The screenshot shows the Mercury Tours website. At the top, a banner reads "one cool summer" with the ARUBA logo. Below the banner is a navigation bar with links: [SIGN-ON](#), [REGISTER](#), [SUPPORT](#), and [CONTACT](#). A red circle highlights the date "Jul 6, 2017" in the top right corner. On the left side, there is a sidebar with a menu: [Home](#), [Flights](#), [Hotels](#), [Car Rentals](#), [Cruises](#), [Destinations](#), and [Vacations](#). Below the menu is a "HTML VERSION" button and a "SAVINGS! Rent A Car" banner with a "CLICK HERE" button. The main content area features a "Featured Destination" section for ARUBA, which includes a globe image and a description: "This island is surrounded by coral reefs, offers guaranteed sunshine and is blessed with beautiful beaches. Luxury resorts have taken up residence along most of the beachfronts on the southern coast, but there are still undeveloped areas on the exposed northern coast, and much of the interior is inhabited by nothing more substantial than goats." Below this is a "Specials" section with a table of flight prices:

| Specials | |
